Overview

Age of Learning, Inc., creator of ABCmouse®, is a leading education technology innovator, creating engaging and effective learning resources to help children build a strong foundation for academic success and a lifelong love of learning. Our research-based digital education programs have proven efficacy in increasing children's learning gains, and our curriculum is developed by an experienced team of education experts. Our School Solutions Programs include My Math Academy®, an adaptive, personalized program that helps students master foundational math concepts, and My Reading Academy™, which helps young learners become fluent readers and build a foundation for reading comprehension and literacy. With more than 10 billion Learning Activities completed by over 50 million children worldwide, Age of Learning is a global leader in efforts to advance equity, access, and opportunity for all children.

My Math Academy and My Reading Academy are standards-aligned programs that support the learning goals outlined in state standards for English language arts and math.
