Overview

We simplify creating websites by handling all the creative and technical details involved in crafting one. From design and hosting to software development and technical support, our turnkey solution currently supports 10,000 K-12 schools and districts.

Simplicity and versatility defines our platform. Our K-12-customized Content Management System is entirely easy-to-use: it's built around point-and-click visual interfaces and features both simple and complex editing tools for all user levels. You have complete flexibility that adapts to your communication needs.
