## Overview

*Square Panda provides early literacy, early reading game-based instruction that is both adaptive and multisensory and supports core ELAR standards (TX PK Guidelines and reading TEKS in K-1st Grade, as well as CCSS). Square Panda uniquely bridges the physical world and the game-based digital world with the full alphabet of big, chunky Smart Letter manipulatives, which delivers visual, auditory, kinesthetic and tactile learning through hundreds of play patterns that progress through explicit instruction, guided by as-you-play assessment engines to personalize learning. Individual student data insights and progress monitoring included through Square Panda Teacher Portal.*
