Overview

Studi, LLC is an education-software company based in Plano, TX. Studi provides a customizable, data-driven incident reporting and case management platform, called Iris, to K12 schools & districts. Iris, or Incident Reporting Information System, is a web & mobile platform for students, parents and faculty to confidentially report wrongdoing, behavioral concerns, conduct violations, bullying, cyberbullying, and other safety-related information. The Iris case manager is a customizable suite of tools for administrators to receive, respond, report, and manage conduct and safety-related information. Iris is data-driven, giving you unique insights into the crime, behavioral health, conduct & safety trends of your school and district.
