Overview

AdComp Systems Group is a unified payment technology solutions company that subsidizes modern technology for local governments and private sectors to make the payment processing more efficient for their active customers. Our company can implement numerous forms of payment, such as: IVR, Web, Mobile, POS, Kiosk, and more! Our newest cloud software applications are called GovOnTrack (SAAS), Remote Magistrate, Ground Transportation Management Software, and much more. Our JACK payment platforms include interactive vending kiosks, Utility Express, Citation Smart, and Warrants On The Go. AdComp Systems mobile payment platforms endow the opportunity for any type of business to send notifications and reminders to their customers of an upcoming bill due and with the option to pay!
