### Overview

Since 1972, Copper State Bolt & Nut Co. has evolved in support of our customers. Founded with six employees in a 6,000-square foot warehouse, Copper State now supports more than 20,000 customers with more than 30 company facilities. With almost 500 employees, we pride ourselves on outstanding customer service, value-added solutions, continuous improvement, and continued reinvestment in the growth of our business. In every one of our locations Copper State is proud to support the very smallest of customers, the very largest of customers, and everyone in between. Copper State is a second-generation family, women-owned, business. We benefit from the founding principles that formed Copper State nearly 50 years ago, and their application today in a fast-paced, technology-rich, and service centric operation. Through our relentless efforts to support existing customers and introduce ourselves to new ones, we continue to enhance our business to meet emerging needs. With agility and flexibility, we integrate our operations of those with our customers and suppliers creating true partnerships with each relationship.
