Overview

Top-Level Experts in Water and Wastewater Construction, Operations, and Maintenance/Repair on Utility Systems. Committed To Developing Attainable Solutions To Meet Your Project Needs. At Power Scoop Utility, LLC we offer a complete line of water and wastewater services including new construction, maintenance & repairs, and water & sewer plant operations. Our clientele includes municipalities, municipal utility districts, public infrastructure districts, new subdivisions, new commercial districts, and private water & sewer districts. Whether it's an emergency repair or a new residential water tap, Power Scoop Utility stands ready to serve you. We also provide full turnkey services to ensure our clients are satisfied with site restoration once projects are completed.
