Overview

Hypertec USA Inc dba Hypertec Direct is a large and rapidly growing global provider of innovative information technology solutions. Founded in 1984 and headquartered in Montreal, Canada, we offer a wide range of technology products and services, which are trusted by cloud service providers, communication service providers, organizations in the financial services, media and entertainment, public sector and health services industries as well as other industries where cutting-edge technology solutions are critical to our customers' success. Our range of products and services include our own designed and manufactured application optimized servers, storage, workstations and personal computers offered under our CIARA brand, a full suite of partner hardware and software products, business resiliency services, home health monitoring support services and a full range of complementary value-added services. With thousands of customers located in every major continent, the Hypertec and CIARA brand names are recognized in our industry for consistent and reliable quality and innovation which are supported by our continuous commitment to research and development and to long term collaborative relationships with our customers and partners.
