Overview

Digital Boundary Group, Inc. (DBG) is an information technology security assurance services firm serving clients worldwide.

DBG provides information technology security auditing and compliance assessment services. In addition, we offer information security consulting, SCADA systems security assessments, network security assessments, penetration testing (PCI), application security testing (web and mobile), vulnerability scanning, wireless security assessments and physical security assessments. Our training offerings include hands-on network security and hardening windows networks courses.

DBG's operational security testing focus provides organizations with a comprehensive assessment of exploitable vulnerabilities that exist in the organization.

We are vendor neutral regarding hardware and software solutions but maintain ongoing relations with Tier-One and other vendors in order to stay current with relevant technology developments. We do not sell hardware or software and do not sell network design, installation, management or remediation services.

Our client experience includes: Federal, State / Provincial and Municipal governments; Law Enforcement; Utilities (including electricity generation and distribution and water/wastewater treatment facilities); Oil & Gas / Energy sectors; Financial / Insurance Services firms; Healthcare; Retail; Casino / Gaming; Education (Post-Secondary and K-12); Transportation / Logistics firms and Professional Services Firms.

We maintain Certified Information Systems Security Professional designations for our senior technical staff and are authorized by the global security standards organization, (isc)², as a Continuing Professional Education Provider for information security professionals.

DBG is an Affiliate Member of Texas Association of Governmental Information Technology Managers (TAGITM), Corporate Member of the Texas Police Chiefs Association and Associate Corporate Members of The International Association of Chiefs of Police (IACP).

Digital Boundary Group, Inc. is located in Dallas, Texas.
