Overview

Gatekeeper is a leading provider of intelligent video and data solutions designed to provide a safer transportation environment for children, passengers, and public safety personnel on multiple transportation modes. The Company uses AI, video analytics, thermal cameras, and mobile data collectors to inter-connect public transit assets as part of intelligent transportation systems in a Smart City ecosystem. The Company's video and data solutions and its Platform-as-a-Service (PaaS) business model are enabling the transformation of transportation systems into intelligent transit and Smart Cities.
