Overview

Pure Lighting Company was created to bring profound lighting solutions to fill our client's most pressing needs. What makes us unique is that we are engineers with an expertise in lighting design. This enables us to provide a wide array of comprehensive and innovative solutions. We're committed to understanding your needs and tailoring our offerings to exceed your expectations whether it's procuring materials for a small lighting renovation, custom development of UVC lighting fixtures, or designing a brand-new state-of-the-art theater. Regardless of whether you're an elementary school looking to add a few color changing lights for your Autumn production or an architect firm learning how to implement UVC lighting to meet new building regulations, we provide the same level of dedication, attention, and excellence for every project and client.
