Overview

A-Lert has been providing quality metal building and roofing products for over 40 years. We have earned a reputation as one of the leading metal roofing and building contractors in the United States with over 35 million square feet installed for over 3,000 clients. A-Lert enjoys strong vendor relationships with top steel suppliers and maintains one of the largest stocks in the industry. This allows us to offer our clients a wide selection of roof, building designs and components, with service second to none. A-Lert is proud to also offer our clients products that have earned the government's Energy Star label. Our solid financial status also provides peace of mind to our clients as our 20 year Watertight Warranty is backed by an institution of more than \$10 million in net worth and a single project bonding the capacity of over \$14 million per project.
