### Overview

*Our books are ideal for students from pre-kindergarten through fourth grade, elementary schoolers with special needs, and English Language Learners. Characters, story lines, and themes that appeal to young children have been carefully developed into books that really 'work.' Before publication, a dedicated team of classroom, literacy, and Reading Recovery teachers reviews each book. Carefully selected reading vocabulary, easy sentence structure, clear fonts, careful spacing, and attention to line breaks work together to assist in the development of strong reading strategies. Dynamic photographs and appealing illustrations provide the reader with support and extension of the text.*
