Overview

Led by a highly credentialed team with more than 300 years of combined industry experience, Climatec helps public agencies address and fund aging infrastructure and sustainability programs. The firm has delivered thousands of successful infrastructure programs to public entity clients. With current market volatility along with construction prices soaring, public agencies look to Climatec to provide turnkey programs that expand their project bandwidth to get more accomplished and hedge against construction price inflation through price guarantees while reducing operational expenses and improving community services.
