### Overview

*Founded in 1990 as a test preparation company, Cambridge has evolved into a diversified educational firm with multiple departments that closely work together to produce high quality and highly effective test preparation products and services. Our products and services are the result of over 28 years of research and embrace the following elements: aligning instruction, differentiating instruction, using student data to drive instruction, and using instructional practice data to implement alternative instructional strategies. By embracing these elements, students receive highly effective materials and programs that help them achieve dramatic and rapid improvement in test scores and College and Career Readiness Skills.*
