Overview

Scenic Hill Solar develops, builds, owns, and operates solar power projects across the United States. We provide turnkey delivery of innovative solar power projects to businesses, utilities, non-profit, and public sector organizations. Each project is customized for the unique needs of our clients. Our clients benefit from: Reduced electricity costs, long-term predictability of power costs, protection from rate increases, and clean energy. Communities where our power plants are located benefit from: Jobs, Economic development, higher tax base, & clean energy production.
