Overview

Eagle Grip Coating Systems-Paint Corp. has been in business for 20 years serving the customers with innovative floor and wall coating solutions. AS approved by applicators for Sika Corporation. Eagle Grip Coating Systems can offer the best solution at the most competitive pricing for your situation. Eagle Grip Coating Systems offers coating systems that are virtually odor free, environmentally friendly, and VOC compliant. By offering both Decorative and High Performance systems, we can meet the most demanding specifications with attractive and durable coatings that are customized to meet the demands of each environment by using quartz, flake and solid colors. Special requirements such as moisture vapor control, ESD flooring, extreme chemical resistance, thermal shock resistance, USDA approved applications, and hygienic coatings are all met with Eagle Grip Coating Systems utilizing technology from the leading manufacturers in the industry. We look forward to earning your trust as the best option for any of your coatings needs.
