### Overview

*For over 40 years TCM has published innovative, imaginative, and award-winning resources for teachers and students in all subjects for Grades K-12. Our driving vision is to Create a World in which Children Love to Learn! Everything we publish is created by teachers for teachers and students because we've always believed that no one knows what teachers need more than other teachers. Everything we do here at TCM is created by teachers for teachers and students to make teaching more effective and learning more fun. Teacher Created Materials is the preferred provider of professional development for many educators in the U.S. and around the world. We inspire teachers while developing innovative instructional skills. We also provide them with a toolbox of instructional strategies, embedding best practices with hands-on application, so they are able to utilize the skills and strategies learned immediately in their classroom instruction. We provide training on critical topics, using sought-after presenters and rich, practical content to build teacher capacity and increase student achievement.*
