### Overview

*ShotSpotter® is a global leader in gunshot detection. The company's products are trusted by more than 110 U.S. cities to help make their communities safer. ShotSpotter SecureCampus™ detects gunfire and notifies campus security or local law enforcement in less than 60 seconds from trigger pull. This removes critical minutes from response times and provides first responders with important tactical information they need to quickly mitigate and eliminate a threat. Alerts include the precise location and number of shots fired, number of shooters, possible automatic weapons and direction of travel. With ShotSpotter, you have the best intelligence to quickly and effectively resolve the incident and keep people safe.*
