Overview

Symbiote is the leader in enabling work in research and development environments. We provide light and heavy duty ergonomic workstations that can provide storage above and below the work area, in both fixed and mobile configurations. We offer a large variety of work surfaces for your specific needs, including solid wood, phenolic, epoxy, chemsurf, laminate, and stainless steel. Able to support weight loads over 1000lbs, Symbiote workstations can support virtually any laboratory testing device and development equipment needs. Learn more at www.symbiote.com
